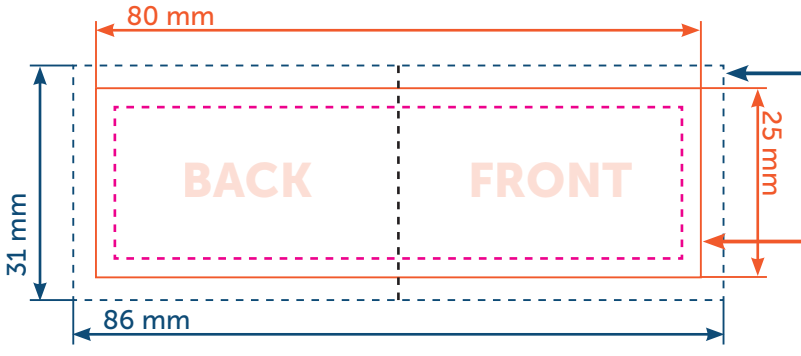
Template
Cocktail Picks

Size : 80 x 25 mm



Use this file in a separate layer in your design program.
Do not forget to make our work template “invisible” or delete it when saving the final PDF, or the JPG with high resolution.

Total measurement of the template (86 x 31 mm)
It consists of the original size + 3 mm of bleed around of the product on each side.
Let the background and all the images extend to this (final) edge.
Make sure your design can be extended to this size without losing the original design or create a white border.

Product size (80 x 25 mm)
This is the final size of the product.

Safety zone (2,5 mm)
Keep your text and important images at least 2,5 mm inside the product edges.
This will prevent them from being cut and avoid compromising the design.
